# West Hall

*This year West Hall, upperclass women's dorm, was forced to place its residents in study rooms, the Chapel and Murdaugh's basement due to the overflow of residents.*

*It was a busy year for the dorm. During Homecoming, they co-sponsored a float with East Hall which won first in its division and placed tops in dorm decorations.*

*Some other projects were, co-sponsoring three dances for all residents, the Howdy Dance, the Valentine Dance and the Spring Dance. The dorm gave baskets to a needy family at Thanksgiving and Christmas. In March the dorm showed some Walt Disney films in the recreation room for the West Hall residents.*

*The officers this year were Margaret Proctor, President; Cynthia Murray, Vice President; Patty Ray, Secretary; Loleta Page, Treasurer; and Vici Lott, Student Senate Representative.*

TOP — East-West Hall first-place Homecoming float. CENTER LEFT — West Hall House mothers are Mildred Terry, Vivian Roofe and Elsie Whitacre. ABOVE RIGHT — Residents of West Hall work on Homecoming float. ABOVE LEFT — West Hall coeds relax after supper.

East Hall housemothers are Margaret Myers, Edith McNaughton and Maud Stout.

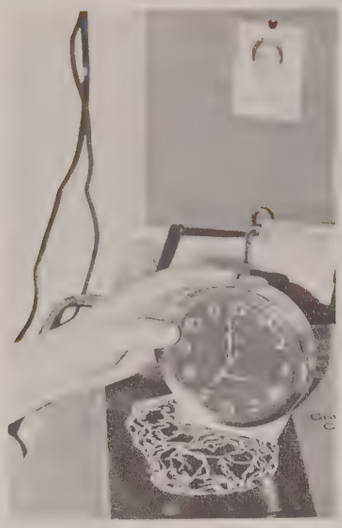

# East Hall

*East Hall men's dormitory holds about 450 residents, many of whom take an active part in campus life while the dorm itself helps sponsor many social events throughout the year. Some of the events include entering a float in Homecoming, dances, movies and an occasional party or two to help break the monotony of classes and to keep everyone's sanity intact as the year wears on. "Quiet hours" are posted to help those who wish to study do so and those who wish to sleep to do likewise. Three housemothers and three floor counselors are on hand to assist with problems that may arise or lend a helping hand to those who need it.*

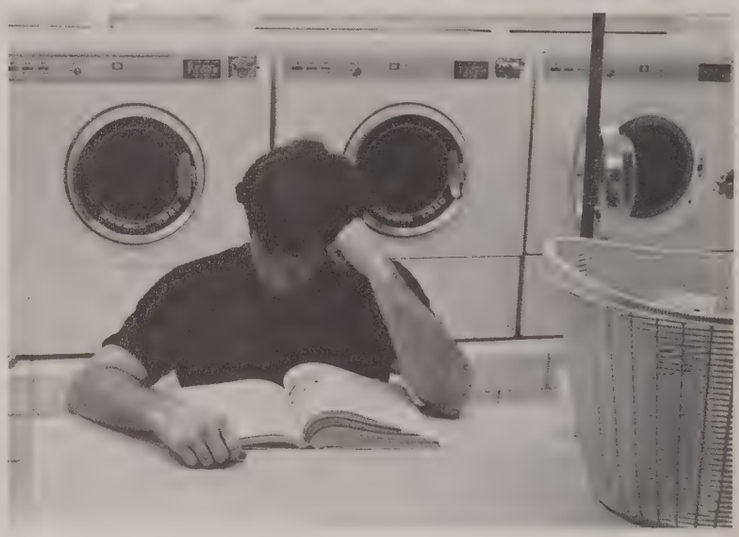

FAR RIGHT — Terry Cook epitomizes the feeling and action required to meet a 7:30 class.

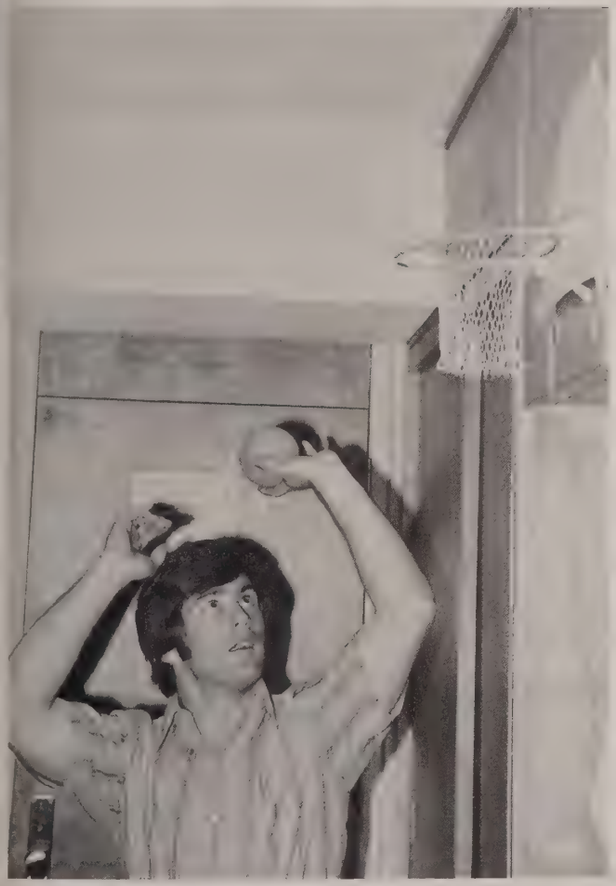

TOP LEFT — Steve Vanarsdal finds music comforting and an aid to his studying, while his roommate Vic Curtis tries to sleep. ABOVE — Dave Keith feeds his pet hamsters. RIGHT — Bill Dickey hits the books while his clothes are in the dryer.

# *Murdaugh Hall*

*This has been a year of change for Murdaugh Hall. Until this year there has been a supervised study hall. The study hall has now been replaced with quiet hours lasting from 8 p.m. to 8 a.m., Sunday thru Thursday. This year the dorm had a float in the Homecoming Parade for the first time in several years and it won the second place award.*

*Murdaugh also sponsored three underpriviledged children for the Christmas Party held annually by the President's Club.*

*Erected in 1937, Murdaugh has been the dorm for freshman women since 1962. By placing all the freshman women together, college adjustment seems easier because they can share similar experiences and make new friends.*

ABOVE RIGHT — Murdaugh's Homecoming float won 2nd place in its division in the Homecoming Parade. # *Thatcher Hall*

*Nearly 150 students lived in Thatcher Hall this year. Counselor for the dorm was Dan Amos.*

*There is a game room in the basement with ping pong tables and television.*

*Thatcher's residents concerned themselves with campus activities this year by preparing a sign supporting the team for every home game. Also they sponsored five girls for the annual Christmas party for underprivileged children.*

*To aid its residents in informing themselves on political issues in the presidential election this year, a Young Democrat's representative and one from the Collegiate Republicans spoke to them about the issues of the candidates.*

*The year's activities were completed with a dorm party in the spring.*

# Cheerleaders

*There were eight cheerleaders this year. They were Mark Enevoldson, Candy Graham, Teryl Percival and Pam Wilson — freshmen; Linda Belcher, Evon Nickles, Ginger Brown and Leann Fraim — sophomores. Miss Fraim was chosen head cheerleader for the year.*

*During football season the cheerleaders kept busy with making signs, pep rallies, and they attended all of the football games. They went to Texas on December 9 for the semifinal National playoffs. They also attended all of the home basketball games and wrestling matches.*

*The main purpose of the cheerleaders is general promotion of spirit throughout the school. A rally council has been set up by the Student Senate to sponsor the cheerleaders next year.*

*Under the direction of LTC Robert D. Ogg, the Military Science Department instructs students for positions in the United States Army as well as the civilian community.*

*Opportunities in Nursing offers a wide variety of services. Hospitals, clinics, community health agencies are but a few of the areas for employment. The graduate is prepared to enter the Master's program, function in clinical practice and progress to leadership roles. The nursing program was approved by the Oklahoma State Board of Nursing Regents and Nursing Education in 1971. This allows the student to take the licensure examination for registered nurses. In the Spring of 1972, the program received National Accreditation from the National League for Nursing. The first class of 18 students graduated in May, 1972. There are 265 majors.*

*Central's degree program of Home Economics is recommended for students who plan to teach home economics or work in other related fields requiring a home economics background. Dr. Gladys Ford is chairman of the Home Economics Department.*

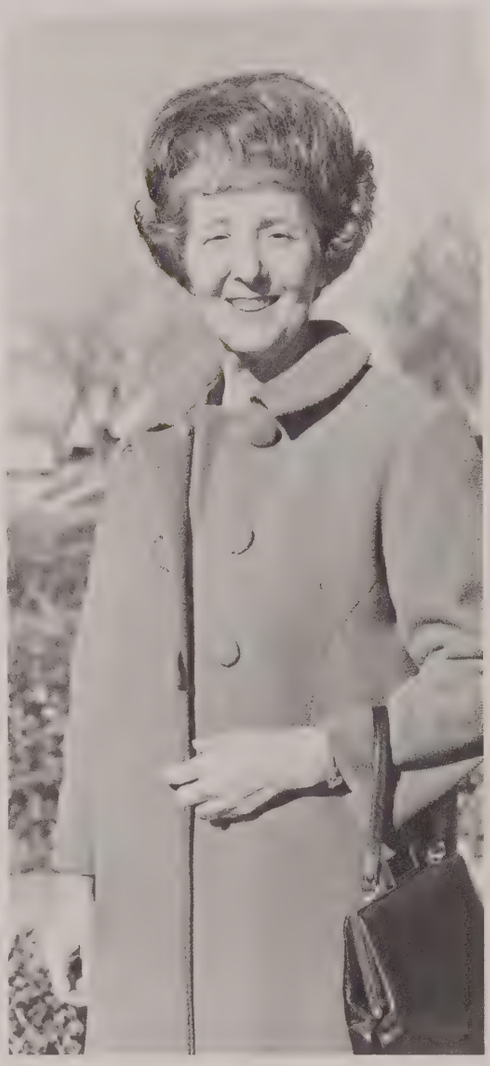

*Library Science makes successful pursuit of higher education an easier goal attained for any student. We help them discover the tools of research and guide them in their use. Mrs. Francis Alsworth is chairman of the Library Science Department.*

# *It takes a lot of hard work to be Number One*

*In a year when Southwestern State was supposed to win the conference and Central was only considered as remotely possible, the Bronchos surprised many.*

*With only a handful of seniors with which to build a nucleus, Coach Phil Ball reaped the good harvest of freshmen and transfers. Along with returners from last year, they filled in vital areas.*

*Even the crowds were drawn to this youth-laden team. At Homecoming there were 1,000 brave souls who sat in the downpour to watch their Bronchos keep that number one rating. Despite hazardous roads a mass of supporters drove to see Central State win its first league crown in 10 years by beating pre-season pick Southwestern.*

*Disaster, in a sense, struck in Commerce, Texas when the Bronchos tumbled from number one by a 54-0 shellacking. It was an East Texas State team that later became the NAIA champs that delivered the blow.*

*But the trip to the national semi-finals did accomplish many things. It brought recognition throughout the country for Central State University. It rewarded the seniors for several years'hard work and gave the underclassmen a taste of success, plus lending a confidence to the coaching staff.*

*So the school owes the 1972 football team a great deal of thanks for national recognition and most of all, for providing a bond that finally has generated a little school spirit.*

# *CSU wins tough opener*

## Eastep gains 153 yards, scores two tallies to share scoring honors with Hooks, Jones.

*Springfield, Mo., Sept. 16 — Johnny Eastep gained 153 yards on 15 carries and led the Bronchos to a 39-18 opening test win over a tough Southwest Missouri team.*

*Coach Phil Ball's crew ground out 405 yards from its many and varied multiple offenses.*

*Eastep scored two touchdowns to share scoring honors with quarterback Mike Jones and James Hooks. Each of them scored twice in the affair.*

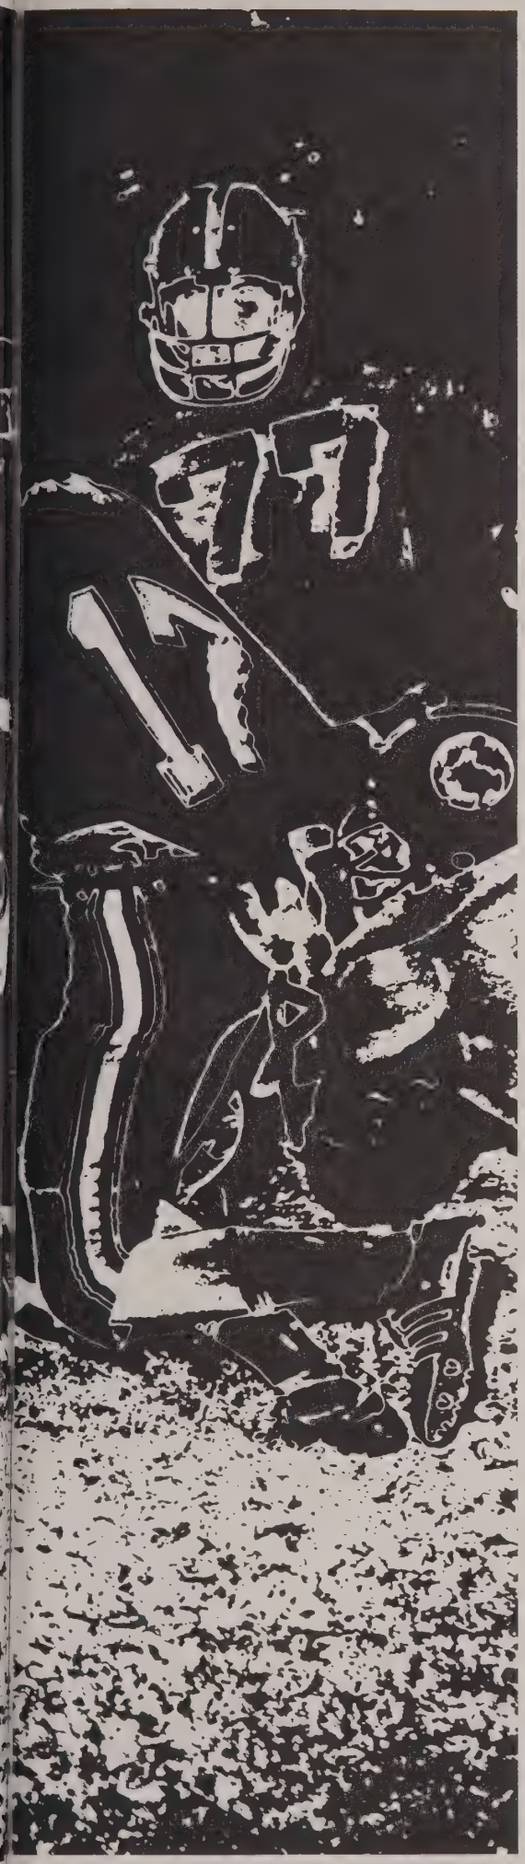

*Jones opened the scoring with a 25-yard dash to paydirt in the first period to give CSU a 6-0 advantage.*

*The Missouri team went ahead 7-6 before Hooks and Eastep scored putting the Bronchos ahead to stay. A 27-yard field goal for the Bears made the score at the half stand 18-10.*

*Hooks scored his second TD in the third period from one yard out before retiring for the evening with a bruised rib he had played with throughout the game. Mike Jones rounded out the scoring, scampering 19 yards in the final quarter after Eastep's one yard plunge, putting the game out of reach.*

LEFT — Dennis Cunningham (89) battles an East Central quarterback for this fumble. BELOW — Rocky Kime (51), Brad Hutchison (77), and Cecil Harry (55) surround this runner allowing no exit to gain yards. The defense gave up only 10 points in the game.

# *Bronchos trounce East Central*

## New people in defense aid Bronchos in romp.

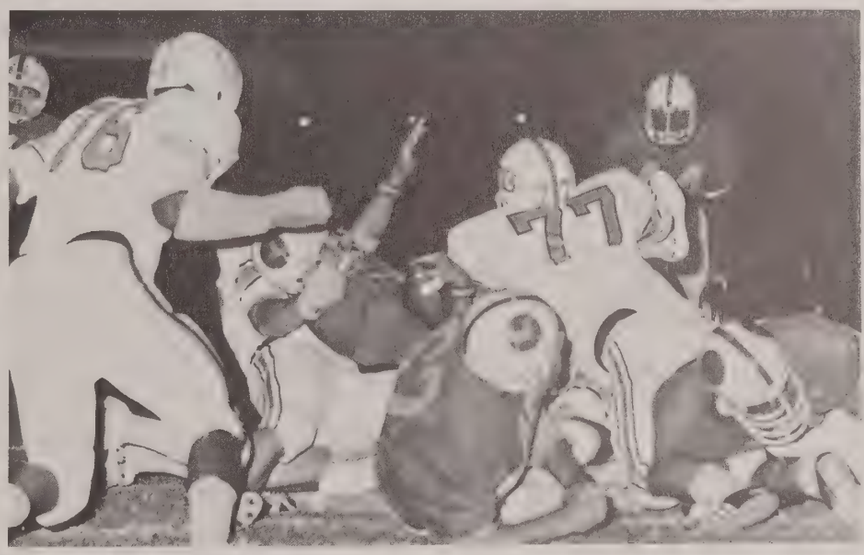

*Edmond, Sept. 23 — After trailing 3-0 in the first quarter, the Bronchos came back and scored a whopping 27 points in the second quarter and coasted to its second straight win, a 33-10 trouncing of East Central's Tigers.*

*Without the services of James Hooks it appeared as though the Bronze and Blue might not fair too well, but confident quarterback Mike Jones directed the Bronchos, keying the scoring drives with some clutch passing.*

*Once again Johnny Eastep led the rushers with 79 yards on 14 carries, while David Wooley added 67 yards on 19 jaunts.*

*Five different Bronchos scored in the fiasco. Eastep tallied on a six-yard run, Wooley on a one-yard lunge, Dwight Sehon caught a 37-yard pass from Jones, Steve Long grabbed an 11-yard toss and Charles Parker scored on a one-yard run. Marcus Jones hit three of five extra points for the rest of the scoring.*

*With a host of new faces in the defensive lineup, the Bronchos were impressive. Most outstanding, though, was sophomore Brad Hutchison. The Broncho defense tossed East Central ball carriers for losses on 11 occasions.*

It is plays like the one above that wins ball games. Traffic gets pretty thick around the goal line, but a good offensive line opens the hole that lets people like Mike Jones score. LEFT — Johnny Eastep led all rushers in the first two games with 153 and 79 yards respectively.

The Broncho secondary moves in on a Northwestern receiver after gaining some of the few yards given up by the Central defense. Here Dennis Cunningham makes the tackle as help is on the way.

# *Bronchos slip by Langston*

## Late interception by Cecil Harry sets up touchdown that wins game.

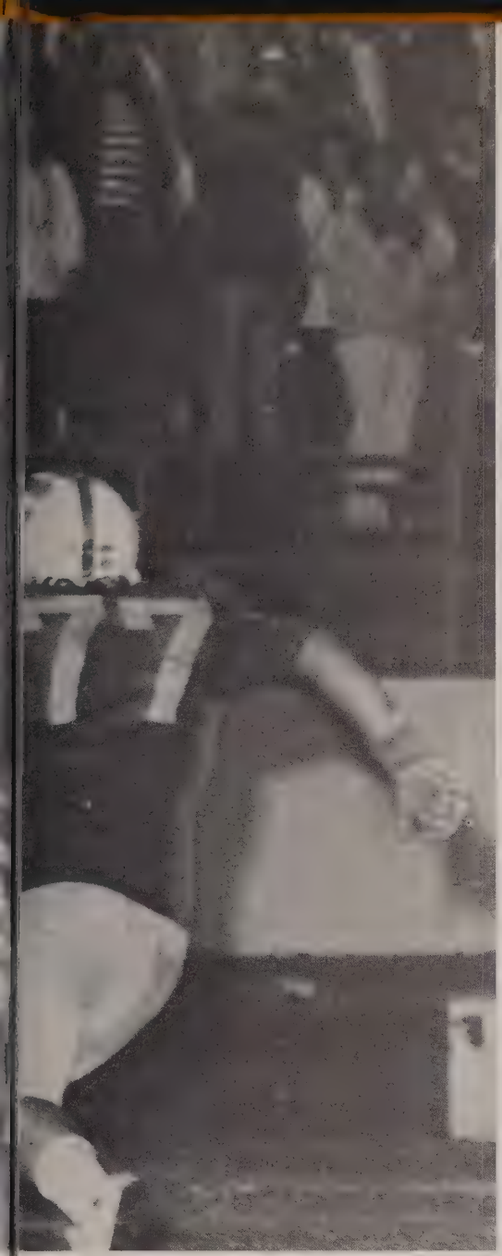

*Langston, Sept. 30 — Central's Cecil Harry intercepted a Prinson Poindexter pass late in the fourth quarter, enabling the Bronchos to slip past Langston, 21-14, in a tough battle.*

*Harry intercepted the pass at the 45-yard line, and nine plays later James Hooks plunged over from the four-yard line for the go-ahead touchdown. The win kept CSU's record perfect at 3-0.*

*The Bronchos scored first with 12:49 left on the clock in the first quarter. CSU trudged 45 yards in 19 plays with Mike Jones going the final 12 yards to paydirt. Marcus Jones kicked the first of three extra points to make it 7-0.*

*David Wooley scored the other CSU tally in the second quarter on a one-yard run. That gave the Bronchos a 14-7 lead at the half.*

*The Lions knotted the score at 14-14 in the third period. Poindexter found Ananias Carson on a look-in pass on the five-yard line and Carson slipped through the Broncho secondary to score.*

# *Bronchos move into league lead*

## Ten year-old total offense record crushed by Mike Jones.

*Edmond, Oct. 7 — Boasting a sixth rating in the NAIA national poll, the Bronchos clipped Northwestern, 20-13.*

*CSU, with the win, took sole possession of first place in the OCAC, as Northeastern stunned Southwestern 26-7.*

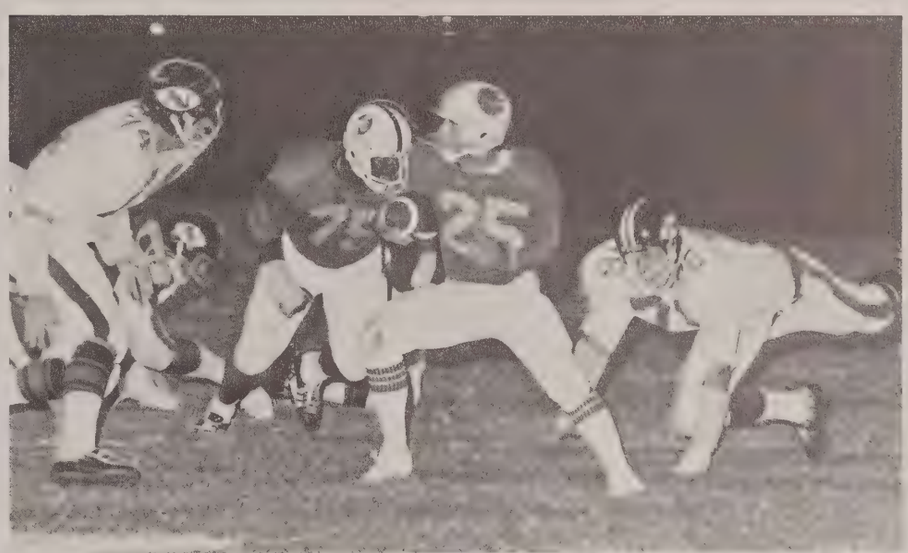

*Alert defensive plays by Marlon Gay, a freshman from Alex, and Bill Park, a senior from Noble, led to a pair of first period touchdowns. Tailback David Wooley scored first on a three-yard scamper and sophomore Johnny Eastep dashed 26 yards for the second tally.*

*In the game, quarterback Mike Jones became CSU's all-time total offense leader. Up to and including the game, he had 3,268 yards. The old mark was 3,208 set by R. L. Briggs back on the national championship team of 1962.*

*After Northwestern punted to the Central 42 with 44 seconds left in the half, Jones covered 58 yards with two passes in just 13 seconds.*

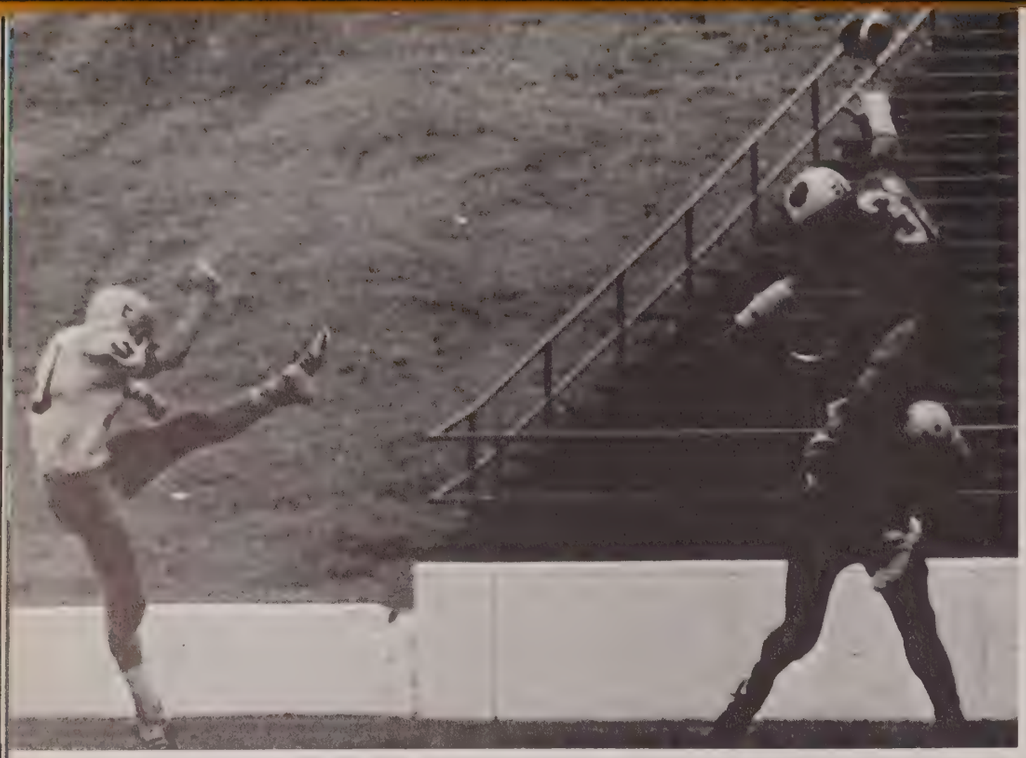

*First came a 42-yarder to Stigler freshman Joe McKee, who wheeled to Northwestern's 16. Jones then tossed to end John McGivern, a Tulsa Kelley senior who was wide open in the end zone.*

ABOVE — Joe McKee is doing what he does so well, return punts. On each kick McKee received he was a threat to score which brought electricity to the crowds. FAR LEFT — One of the unsung heroes, an offensive lineman, Mark Morgan performs his task of making running room for the backs. LEFT — Mike Jones wrote his name on the record books when he set the new career total offense mark, on Oct. 7.

# *Cameron game one of firsts*

*Lawton, Oct. 14 — For the first time ever the Bronchos managed to beat the Cameron Aggies and in doing so vaulted themselves into the number one spot nationally. It marked another first, the first time that Central State has won their fifth game of the season since 1966.*

*The Bronchos started out as if they would make a rout of the game early as James Hooks scored twice within four minutes of the first period from the nine and four yard lines.*

*Cameron tied it up, however, with 1:30 to go in the half. But Cecil Harry's recovery of a fumbled pitchout on the Cameron 45 set the go-ahead touchdown 46 seconds later.*

*The Aggies moved all the way to the Broncho five but on fourth down, James Williams was stopped short of the goal by big defensive end Mark Clark.*

*The Bronchos took the ball on their own two and moved to the eight in two plays. Jones then pitched out to Wooley on the right side. The fleet running back cut the corner, got a key block from Tom Stewart at the 25 and then broke two tackles before breaking loose at the 40.*

TOP — Steve Edmondson makes a gallant effort to block the punt coming off the left-footed Eastern New Mexico punter. RIGHT — There were many fumbles in the Homecoming game; but the wet conditions did not cause them all; hard hitting by the Broncho defense caused a lot of them.

# *Bronchos stay No. 1 in Homecoming splash*

*Edmond, Oct. 21 — After being rated as the No. 1 team in the nation prior to the game, the top-ranked Bronchos slushed through a 28-7 homecoming victory over Eastern New Mexico.*

*Played in a constant rain, CSU fumbled 10 times losing only three, while the Greyhounds fumbled six times.*

*Quarterback Mike Jones scored on runs of one, 38 and 23 yards. Mark Clark scored the other Broncho TD on a 17-yard pass interception.*

*Sitting precariously on a 14-7 lead with some three minutes left in the game, CSU's Jones punted to the Greyhound's 10.*

*On the first play, quarterback Don Stravlo went back to pass, but Cecil Harry deflected the aerial into the hands of Clark who rambled the distance with 2:44 left.*

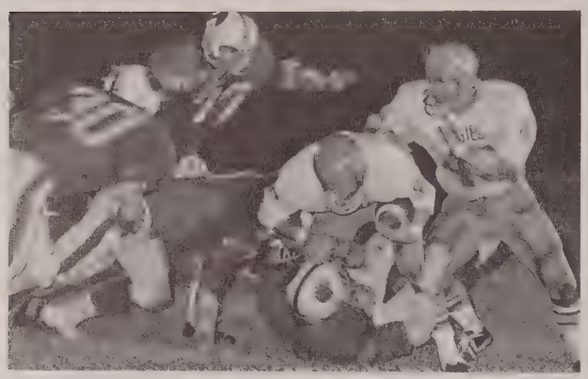

*Then in the first play following the kickoff, Stravlo had trouble finding the handle on the slick football and Brad Hutchison recovered on ENM's 28. Three plays later, Jones dashed around the left corner for 23 yards and his last TD of the afternoon. He booted his fourth extra point and the final margin was, 28-7, in favor of the nation's top team.*

With umbrellas shielding the fearless few who stayed to watch the entire game, the Bronchos displayed good spirit to win the Homecoming game and keep the number one spot in the country.

# *Hooks sets records; sparks Central to 28-15 win*

## Hooks becomes top scorer in OCAC history while Bronchos roll over Panhandle

ABOVE — Brad Hutchison (77) often spearheaded many of these type of plays that made the CSU defense more than just effective this year. BELOW — Mike Jones boots the ball through the uprights for a point after touchdown, points so often taken for granted, but but can mean the difference in a game.

*Edmond, Oct. 8 — All-American halfback James Hooks broke two OCAC records and sparked the number one ranked Bronchos past Panhandle 28-15 before 7,500 fans at Wantland Stadium.*

*Hooks scored on touchdown runs of 21 and two yards to become the career scoring leader in the conference with 294 points. His two touchdowns also made him the leading TD scorer with 49.*

*Quarterback Mike Jones had 146 yards rushing on 17 carries and added 125 in the air on eight of 12 passes.*

*Panhandle, which hadn't won a game, shut the rest of the usually reliable Central running game down.*

*CSU's first touchdown was set up when Joe McKee returned a punt 18 yards to the Panhandle 34. It took the Bronchos just three plays to move in from there with Hooks picking up the last 21 with a burst over right guard.*

*The Bronchos scored their final touchdown on a quick 84-yard five-play drive capped off with Johnny Eastep going 16 yards for the tally.*

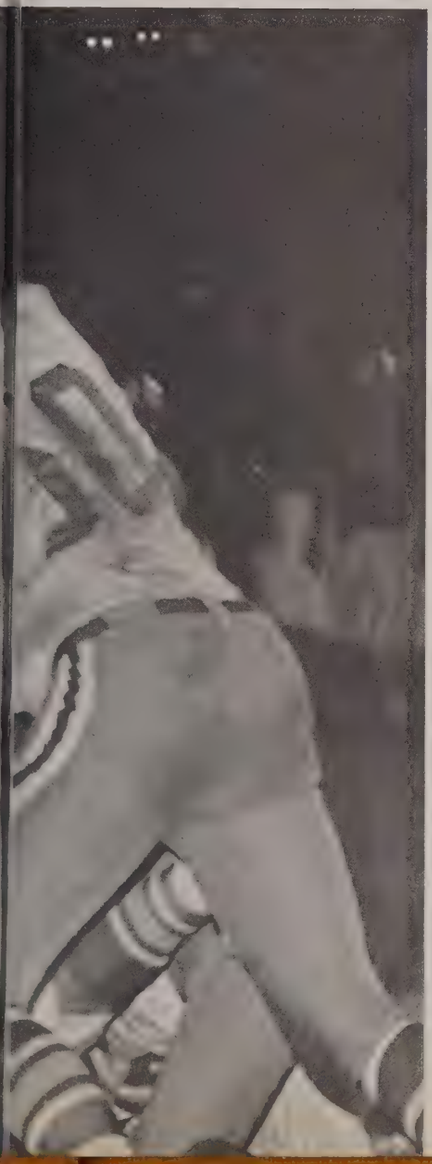

*CSU now 7-0 for the year and 5-0 in the conference. Central fumbled nine times but lost only one.*

# *Bronchos slash Savages; clinch tie*

## Defense posts shutout as offense clicks to assure league tie with two games left.

*Durant, Nov. 4 — Playing their finest game of the season, the Bronchos clinched a tie for the Oklahoma Collegiate Athletic Conference crown with a 28-0 shellacking of Southeastern in Paul Laird Stadium.*

*David Wooley rushed for 88 yards, James Hooks picked up 78 and Mike Jones added 76 through the air.*

*The Savages were held to 61 yards rushing and the Durant club had to resort to an all-out passing attack in the second half.*

*Dennis Cunningham recovered one fumble and intercepted a pass while Marlon Gay and Steve Edmondson also picked off interceptions. Cunningham returned his theft 29 yards for a touchdown, and doomed the losers as reserve quarterback Harvey Baldwin was trying to work out of a hole at the Southeastern 10.*

*The Bronchos scored again in the third quarter after Gay intercepted a pass at the Southeastern 46.*

ABOVE LEFT — James Hooks, in his next to last home game, thrilled the Wantland Stadium crowd by scoring two touchdowns to become the owner of two OCAC career scoring records with 294 points and 49 touchdowns." ABOVE — Injuries are part of the game and every player knows his chances are great to get hurt. It caught up with Dwight Sehon here, but he was able to come back and play in the game.

# *Redmen upset Bronchos*

*Edmond, Nov. 11 — A 14-0 lead did not stand up in the fourth quarter as Northeastern's Redmen burned the Bronchos with long passes late in the contest to pull out a depressing 21-14 victory.*

*Mike Jones hit junior receiver Dwight Sehon with a first half scoring pass to allow the Bronchos to draw first blood. Then early in the second half, David Wooley blasted over from the two to move Central out in front, 14-0.*

*The CSU defense held the visitors at bay until Bill Releford crashed over from the two with just minutes remaining.*

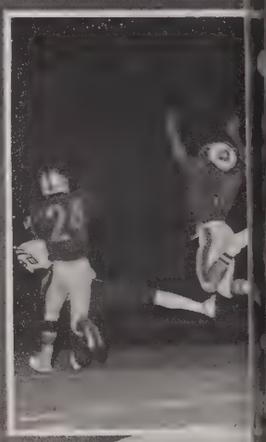

*With 3:38 to go the Redmen got the ball on their own 24 and went the distance in four plays as Bruce Johnson paired up with Terry Phillips, on a 54-yard bomb. The score was tied.*

*After getting the ball back on a punt Northeastern drove to the CSU 34 and things really got bad. With only 16 seconds left, one more time Johnson passed to Phillips in the end zone. Gary Dotson kicked the PAT and it ended 21-14.*

*The loss brought anguish to the Bronchos and their fans, but it soon faded when the poll came out later in the week keeping Central State as number one with playoff hopes alive.*

LEFT — Cecil Harry (55) appears to be sitting with the weight of all the memories on his shoulders of the game just dropped to Northeastern. It was an enthusiastic crowd like this one, constantly shouting, "We're number one!" that saw CSU lose the game on long enemy passes. TOP — James Hooks (42) played another outstanding game, this one his final home game. Here he turns the corner with aid of Johnny Eastep's (31) block. ABOVE — Dennis Cunningham (89) and Bill Park (11) team up to snare a Redman pass as Mark Clark (74) moves in to block on the return.

LEFT — Ray Nash warms his hands in preparation to go back on to frozen field. BELOW — The defense sparkled as it held the Bulldogs scoreless for the last three quarters of the game.

Snow fell throughout the game as this picture testifies but it did not slow Johnny Eastep as he plows for yardage over the frozen field while Tom Stewart (70) leads the blocking.

# *Bronchos win OCAC; end season as nation's No.1*

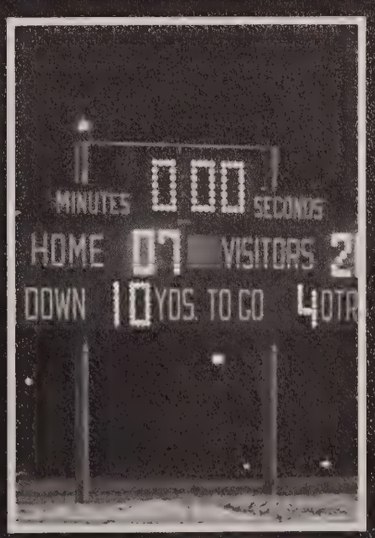

## Bronchos win conference despite icy field with frosh quarterback, head for playoffs.

*Weatherford, Nov. 18 — For the first time in ten years, the Bronchos captured the Oklahoma Collegiate Conference football title with a 26-7 win over rival Southwestern.*

*The number one ranked Bronze and Blue seemed almost undisturbed by the bad weather conditions brought about by four inches of snow which fell the day of the game.*

*Central lost its talented quarterback Mike Jones in the second quarter with an eye injury. But Tulsa freshman Bill White came off the bench to direct the champions. The rookie field general showed no signs of nervousness in the spirited game.*

*Jones scored CSU's first touchdown on the third play of the second quarter. David Wooley put Central on top with a 16-yard burst through the middle. Both James Hooks and Wooley scored in the second half. Hooks' came on an 11-yard run and Wooley made it on a one-yard dive.*

# *CSU ends season with defeat*

## CSU falls, but still it's a very good year.

*Commerce, Texas, Nov. 25 — The Bronchos, in their final game of the year, fell to East Texas, 54-0, in the NAIA national playoff semi-finals.*

*When the Lions scored their third touchdown of the half, the Bronze and Blue seemed to fade back.*

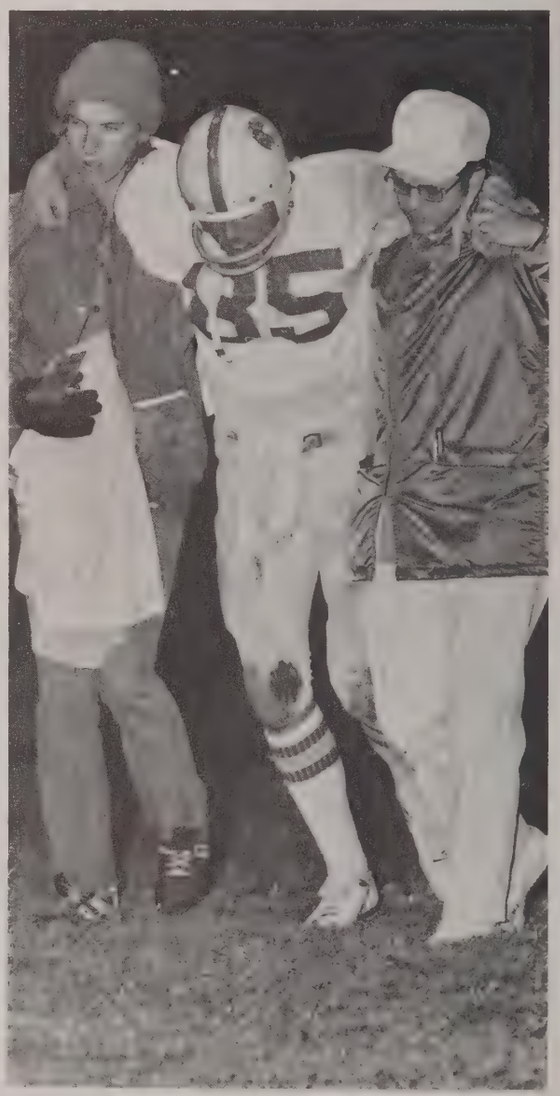

*But Central State finished the regular season as the number one team in the nation, and nobody can take that away from them.*

*East Texas broke eight NAIA records in the game, and Coach Ball said afterwards, "We've been fairly successful in holding down the number of mistakes, but tonight we made more than a season's worth."*

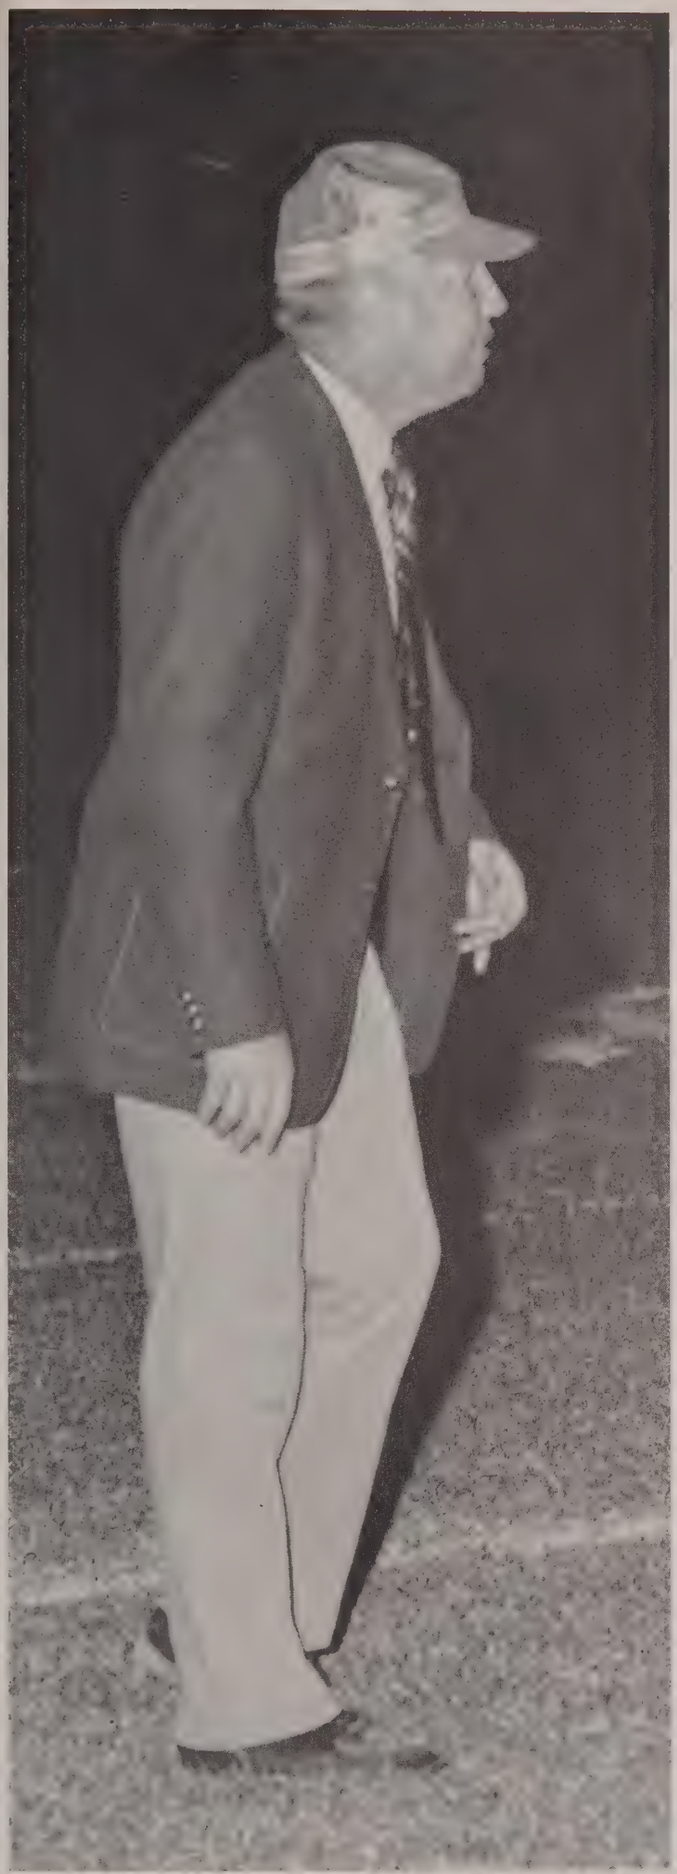

*"We were playing a mighty fine football team. I talked to the Angelo State coach before the ball game and he said East Texas had the finest personnel in the Lone Star Conference in many, many years," Ball said.*

*The Lions averaged 235-pounds across each of its lines, offensively and defensively.*

*Coach Ball said that before the season began he never dreamed that this year's Bronchos would finish 9-2 on the year, be ranked number one in the nation when the regular season ended and be invited to the NAIA playoffs.*

TOP LEFT — Although it was a lopsided score, there was some hard-hitting as Mark Clark (74) and Chris Boxell (30) force this fumble loose. TOP RIGHT — A sizeable crowd of Broncho supporters give support to the team as Mike Jones (10), Tom Stewart (76) and James Hooks (42) lead them onto the field before the game. ABOVE — Disappointed, John McGivern requires assistance in getting off the field.

# *Ball named coach of year*

*In just his ninth season at Central State, Phil Ball won his 59th game and became the third winningest coach in CSU history. For his efforts of putting together this year's OCAC champs and the nation's number one team for seven weeks consecutively, he was named the conference coach of the year. Coach Ball has not had a losing season since 1967.*

*His assistants this year were: Tom Pannell, offensive coach; Gary Howard, defensive coordinator; Brad Avant, defensive assistant and Keni Ray, graduate assistant coach.*

LEFT — Head Coach Phil Ball. UPPER LEFT — Tom Pannell. UPPER RIGHT — Brad Avant. LOWER LEFT — Keni Ray. LOWER RIGHT — Gary Howard.

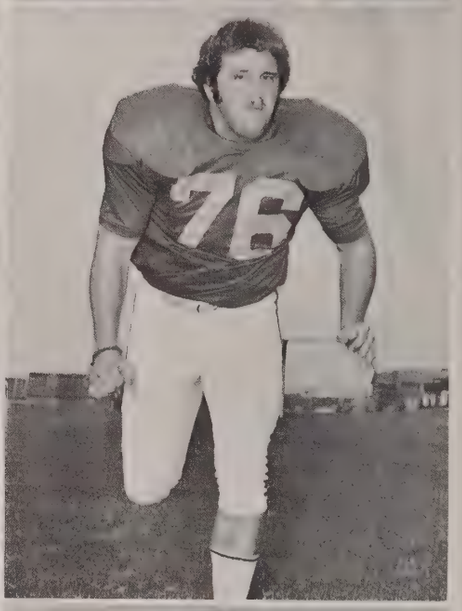

# *Hooks tabbed All-American, Six make All-Conference*

*Central State lead all teams by placing six members on the All-Conference team. Northeastern and Southwestern were next with four each. There were four Bronchos on the offensive team and the other two were defensive stars.*

*The conference champions also placed two members on the second team. They were center Ray Nash and defensive lineman Ben Lairamore.*

MIDDLE LEFT — James Hooks, senior halfback, is a repeater on the All-Conference squad and Sporting News All-American. MIDDLE RIGHT — Tom Stewart is a senior center. # *Cagers mature, learn to win with balanced attack*

*The remarkable freshmen of two years ago seem to get better with age. This year the OCAC title was within grasp until the last week of the season. Next year with everyone coming back the Bronchos believe the conference championship which has eluded Central State since 1964 will come back to Edmond.*

*It's been a steady climb from the 1-24 record of the 1970-71 season to last year's 13-14 and this season's 20-9 before the playoffs at the Fair Grounds in Oklahoma City. Additional glamour was added with the Bronchos winning the East Central Classic and finishing second in the Top of Texas Tournament.*

*The team has done it with a well balanced attack due to the great depth of the Broncho bench. The starting lineup has varied from time to time, but always, the threat remained constant. With last year's most valuable team player, Joe Sheets, out with an injury early in the season and transfer from Colorado University, Stanley Burdine, not eligible until second semester, CSU could have been in serious problems, but new faces Troy Denwalt and Michael Johnson fit in well with all the returners from last season.*

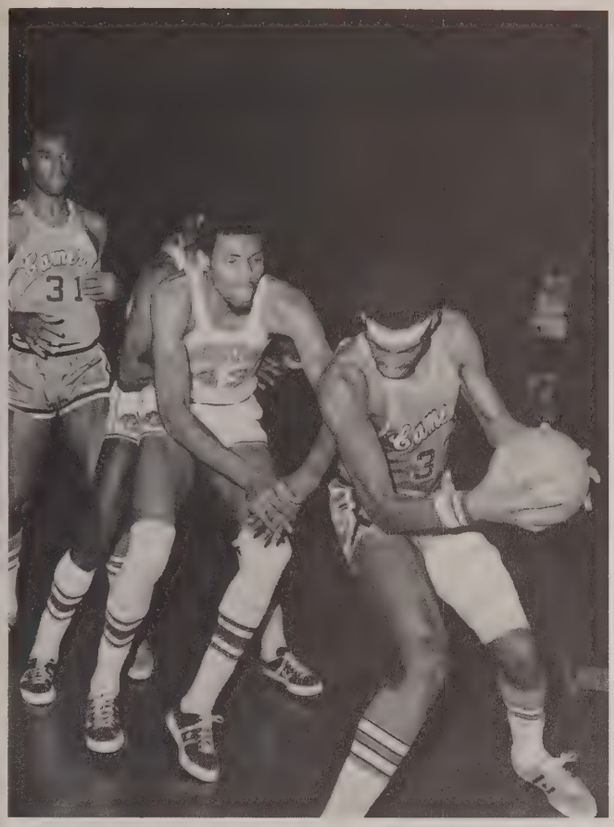

*At times the squad showed brilliance such as in the Phillips game on February 9, when the Bronchos blew the Haymakers out of the fieldhouse with 96 big points, and by holding off NCAA power St. Mary's of Texas until the final moments of the game before succumbing by a mere point.*

*Then occasionally the young team was inconsistent such as the cold shooting night in Enid against Phillips falling 66-61. But such instances can be cured with the maturation process and next year could be the year they have been waiting for.*

# Bronchos win in EC Classic

*Jumping to a 3-0 mark with East Central Classic championship the Bronchos were riding high when they rolled into Abilene, Tex. to face the Hardin-Simmons Cowboys. The Cowboys branded the herd with the first loss by the score of 72-59. The loss was no shame as Hardin-Simmons is an NCAA team.*

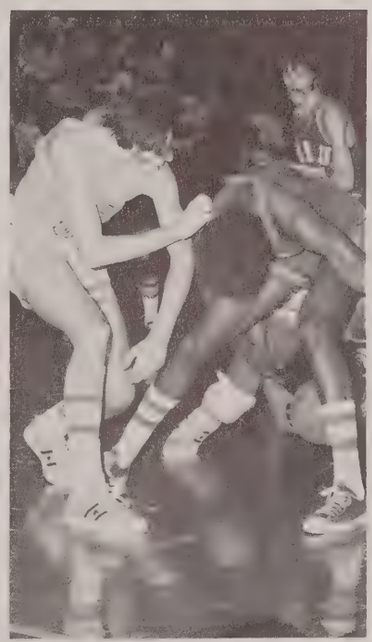

*The team moved into what could have become a slump when it dropped its second and third games straight to another NCAA club, St. Mary's of Texas. Then CSU fell to Phillips in Enid due to cold shooting.*

*Then seemingly finding themselves the Bronchos put down the next three conference opponents, East Central, Oklahoma Baptist and Langston to make the league record stand 3-1.*

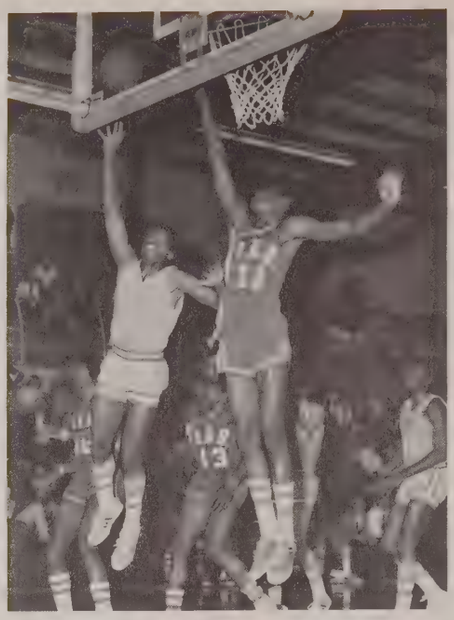

*Another NCAA team, Texas Tech. pinned the third loss on the CSU squad. This was a 81-74 loss in Lubbock. At that time the season record was 6-3 with the Bronchos undefeated in NAIA competition.*

*Next stop for the team was Edmond to take on Eastern New Mexico State. Despite the icy weather the Bronchos blistered the nets to knock off the Greyhounds 72-60.*

# *Cagers lose to Cameron in Top of Texas finals*

*Christmas found the basketballers on the road in the Top of Texas Tournament in Wichita Falls. In first round play the Bronchos subdued Texas Wesleyan 59-44 and finished off Southeastern State College, 75-61 to gain a spot opposite Cameron in the finals of the winner's bracket. In a deliberate, defensive game the Aggies, behind Jerry Davenport's 31 points, took the championship, 58-45.*

*There were both bright and tainted memories from the tourney for the OCAC. The more positive aspect was that in first round action all OCAC teams entered (CSU, Cameron, Bethany Nazerene and Southeastern) won their games against Texas foes to force the winner's bracket to contain nothing but Oklahoma teams.*

*The not so cheerful point was that of a fight between Central and Cameron which broke out on the court.*

*Defeating the next two non-conference enemies, the team won two league contests on the road against Panhandle 44-39 and Northwestern, 57-52.*

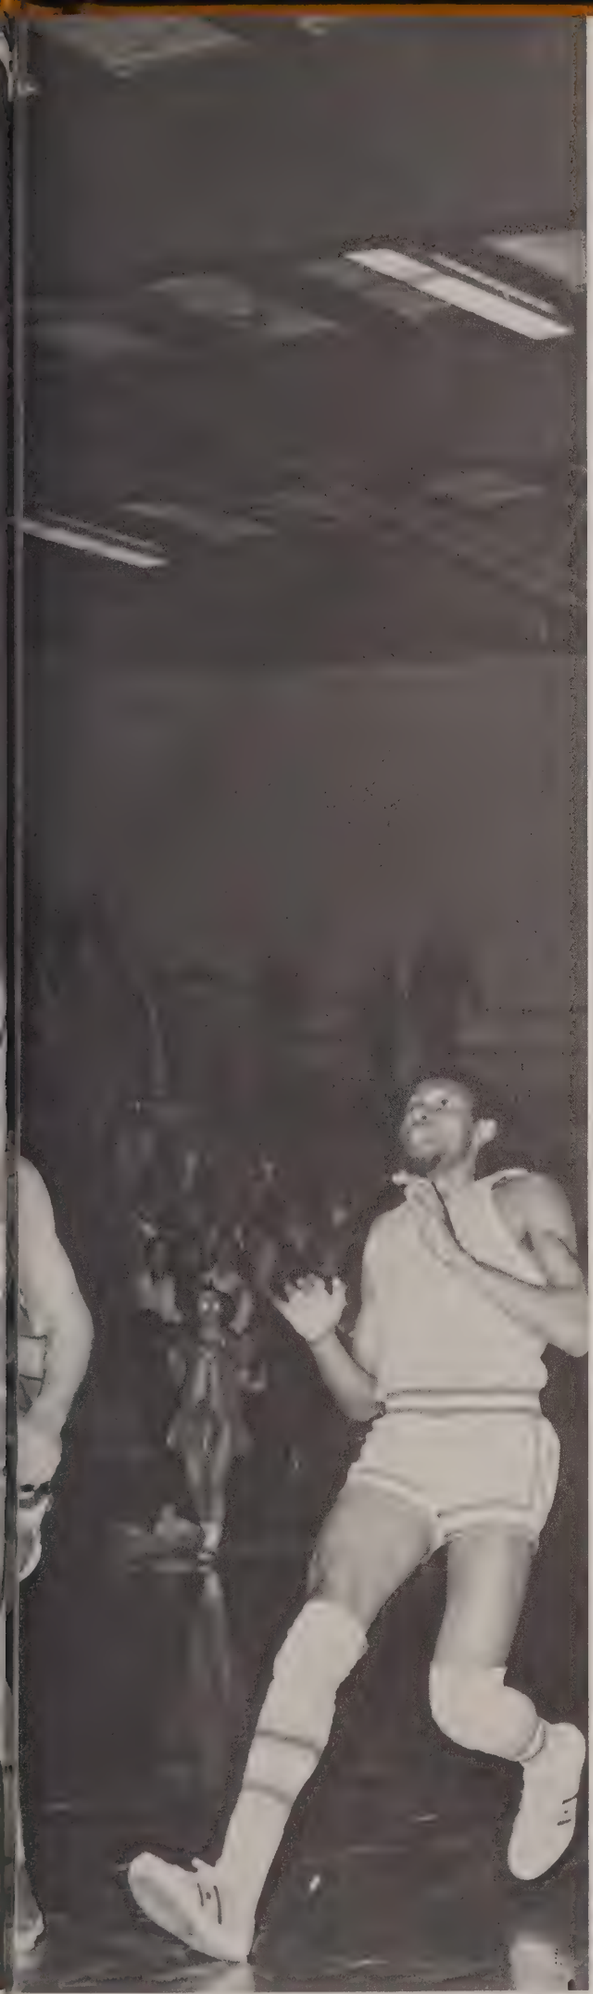

TOP — Stanley Berdine gets the rebound for the Bronchos. CENTER — Central's Eligha Bell shoots a hook shot for two points. BOTTOM — John Kelsey starts a fast break.

# *Central drops 58-55 decision to Cameron in OCAC showdown*

*At home the Bronchos took over sole possession of first place with a 74-57 showdown victory over a tough Northeastern team. Back on the road and another win, this one the third conquest of the Southeastern Savages, by a score of 75-61. Michael Johnson, in the game, poured through 27 points, season high for the team.*

*Returning home for a five game homestand, the Bronchos faced Jerry Davenport on another hot night, 33 points to be exact. Cameron gained a share of the league lead with the 51-45 win.*

*After beating Southwestern, 72-65 the team fueled by Mike Auchenbach's 22 points against Phillips went on to knock off Panhandle and Northwestern to complete a successful string of home games and set up the OCAC showdown at Lawton against Davenport and company. Another exceptional effort by the Aggie star, 36 points, allowed a 58-55 Cameron win and conference title. The next night the Bronchos fell to Southwestern in Weatherford 62-61 in a protested game. Despite the protest, CSU dropped to 11-4 in league warfare and finished the year in second place.*

*Eligha Bell was both the team's leading scorer, 10.9 average, and rebounder with 321 for 11.8 per game for the year.*

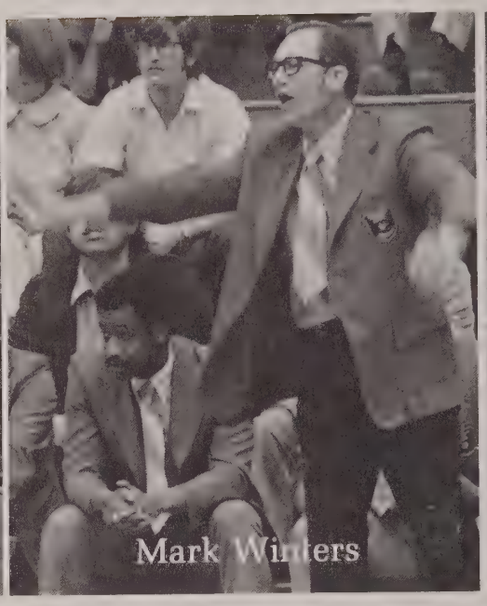

# *Winters — Pegues team, a long time winner*

*Mark Winters is a winner and he has brought that tradition to Central State. His first two years here his teams won the OCAC title and in 1964 he took the Bronchos to the NAIA tournament in Kansas City. Since coming to Edmond his record is 171-118.*

*This year's schedule was a tough one but the young team withstood the pressure well and Winters can only look at next season's prospect optimistically.*

*Luther Pegues is the other member of the coaching team. A member of the two Winters coached championship teams at Central, Pegues is in his fourth year as assistant. He does most of the scouting and handles the junior varsity.*

*Wrestling returns*

# *Sport of wrestling comes back after 30 years*

## *Rogers schedules tough foes to prepare for nationals. Team has "All Oklahoma" look with each member a state resident.*

*After thirty years' absence the Central State wrestling Bronchos returned to the mats in Edmond. The team had a new look under Coach Jim Rogers and his "All Oklahoma" team. Every member was a state resident.*

*Rogers scheduled an extremely tough schedule for the team in preparation for NAIA national finals in March. The University of Oklahoma and Bringham Young University were among the NCAA powers on the Broncho schedule.*

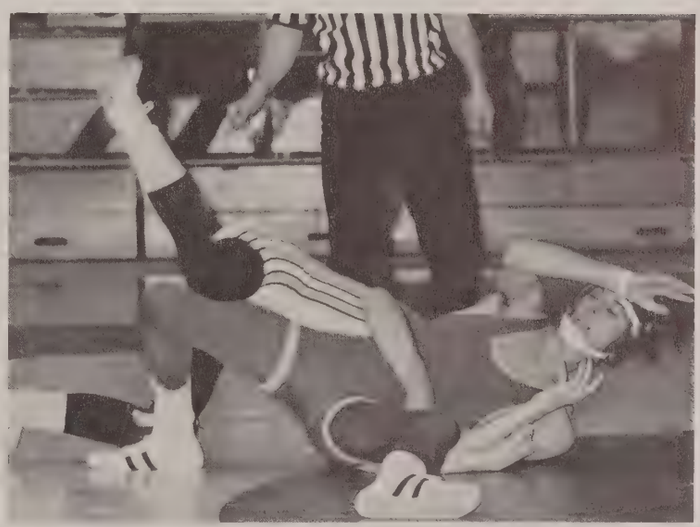

*Next year's schedule should not be any lighter with OSU on it, but every team member will be back and after this year of seasoning results could be better.*

Randy Ross moves on his North Texas foe and tries for the pin. CSU won the match, 53-2.

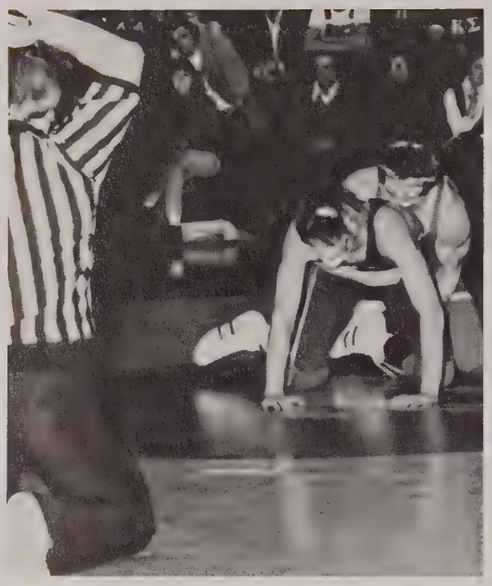

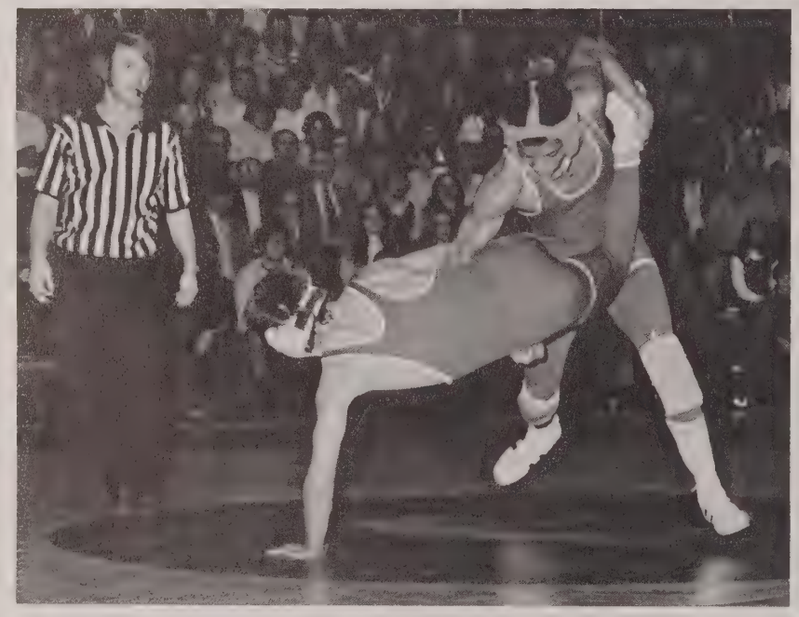

TOP — Don Langham finds himself in a tough predicament while a sympathetic crowd watches on and quietly roots for him. THIRD ROW — are Doug Campbell, assistant coach, DeWayne Martin, Tommy Carter, Bob Galloway, Bruce Ruggs, Ron Randall, Vincent Wiley, Steve Hunt, Bruce Babione and Head Coach Jim Rogers. (not pictured are Tom Puett, Kevin Smith and Forest Parks.)

# *Season not a winning one; but wait til next year*

*Despite what could appear to be a dismal 3-9-1 record this young wrestling team shows nothing but confidence and optimism about the season next year.*

*What the record does not say in itself is that all but one of those nine losses came to NCAA teams. Two of those teams held very high rankings in the national polls. When the Bronchos wrestled OU the Sooners were ranked fifth in the country and Bringham Young University was classified as eleventh place.*

*The only other NAIA team in the area is Ft. Hayes, Kansas. The Tigers came to Edmond on February 13 and the Bronchos treated them quite inhospitably with a 34-12 rout. It was 34-0 when Kevin Smith, due to injury, was forced to forfeit his match and the team had to forfeit the heavyweight bout.*

*When wrestling finally returned to Edmond the team rewarded the fans with a welcome-back triumph to the tune of a 53-2 runaway of NCAA foe North Texas State.*

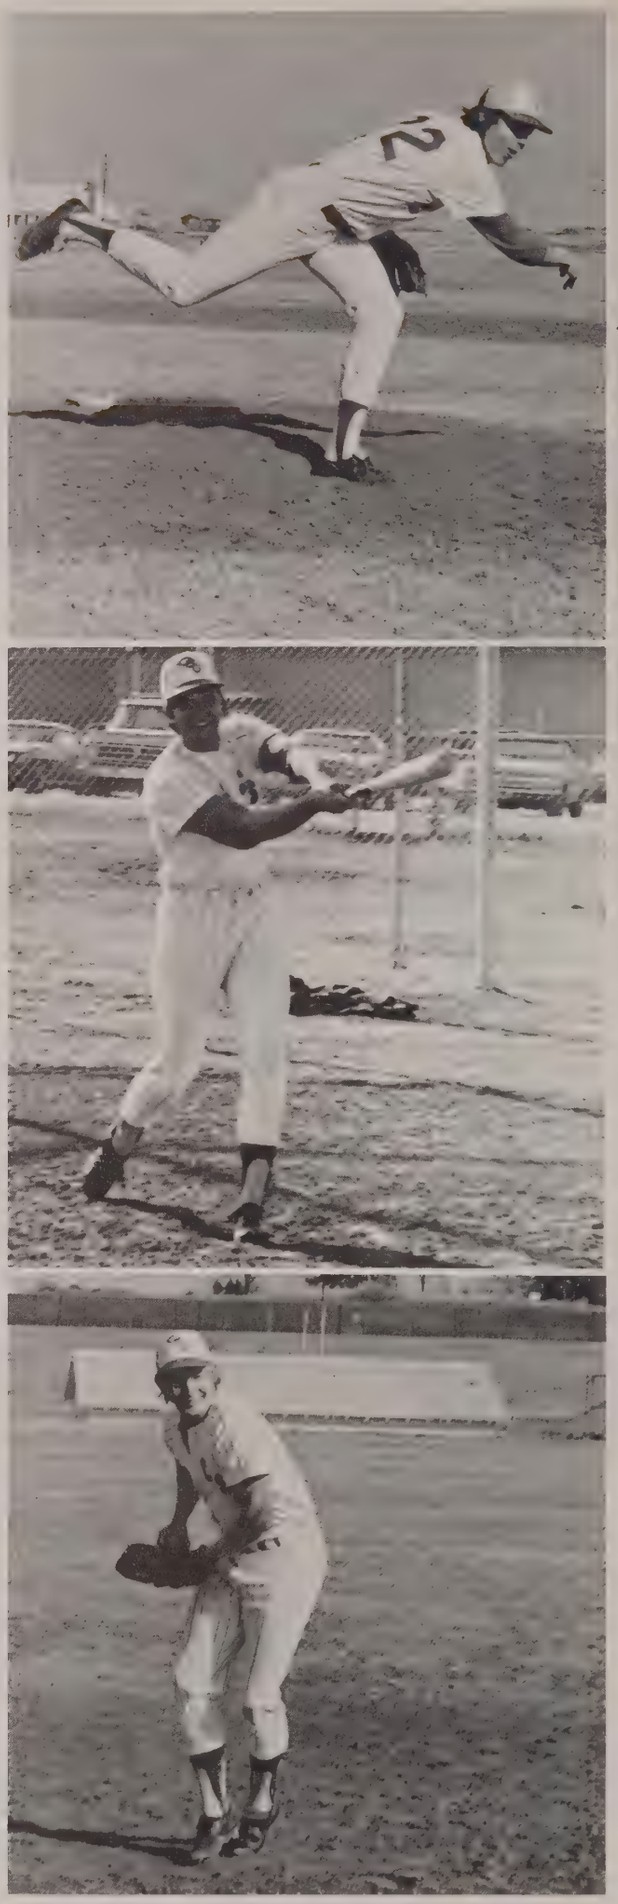

*There were seven Bronchos with winning records on the year. They were paced by Tommy Carter (12-4-1) and Bill Dickey (15-7-1).*

# *Hunt looks to defense, pitching for good year*

*The 1973 Central State baseball team should have a new appearance this year as Coach Bobby Hunt looks to defensive effort and effective pitching.*

*Steve Savage, last season's top hurler, Wendell Simmons, and Ron Berry are pitchers returning from last year's team. Hunt said he felt that this could be the best defensive team he has ever coached. The possibility of doing some base stealing is enhanced by the presence of Sonny Harper, who last summer stole 22 bases on 23 attempts.*

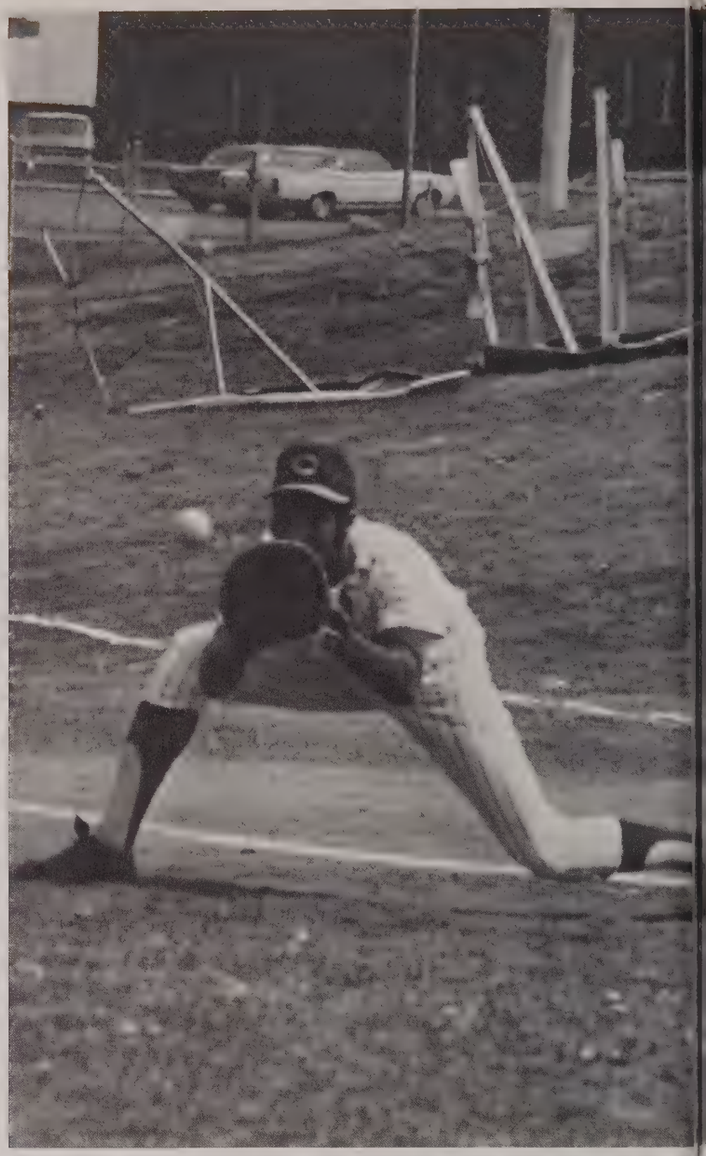

*Hunt optimistically looks into the season and feels there is a good possibility of bettering last year's 17-19 record and fourth place finish in the Western Division of the conference.*

LEFT — Coach Hunt plans strategy while game is being played.

This year's baseball team members are FRONT ROW — John Pershall, Steve Harvill, Gary Vaught, Ron Mitchell, John Rex, Marc Gravel, Lincoln Barr, Donnie Grice, Ronny Lee and Mike Drake. LEFT — The pitching corps consists of Steve Savage, Tim Taber, Ron Berry, Mike Lambert, Dennis Parks, Mike Jackson and Wendell Simmons.

# *Track team seeks to improve second place finish*

## *Cross-country wins title, half-mile relay team expected to break school record. Wooley returns in high jump.*

*Trying to improve on last year's second place finish in OCAC will be the 1973 version of Coach Charles Murdock's track team. The group is young with only two seniors Marcus Jones, top sprinter and Mary Schnetzler, half-miler, on the squad.*

*Already this season the team has competed in the Oklahoma City Jaycee Invitational where the mile relay team consisting of Joey Hammond, George Campbell, Tom Redding and Kelley Van Osdol finished second.*

*Murdock indicated that there was a strong possibility that the half-mile relay team would break the school record of 3:18.*

*Also back on the team is the only conference first place medal winner, David Wooley. He won the award in the high jump division with a leap of 6'7".*

*The cross-country team in last fall's season won the conference.*

Members of the team are FIRST ROW — Kelley Van Osdol, Roy Drebenstedt, George Campbell, Roger Eccles, Steve Wells, Joey Hammond, Robert Tharp and Ron Picket. SECOND ROW — are Greg Palmer, Don Ming, Tom Redding, Dwight Sehon, James Phillips, Marty Schnetzler, Tim Wilkins, David Gray and Don Gibbs. # *Returnees make tennis team strong contenders*

*With three regulars returning from a winning season, this year's tennis team has the potential of becoming a winner.*

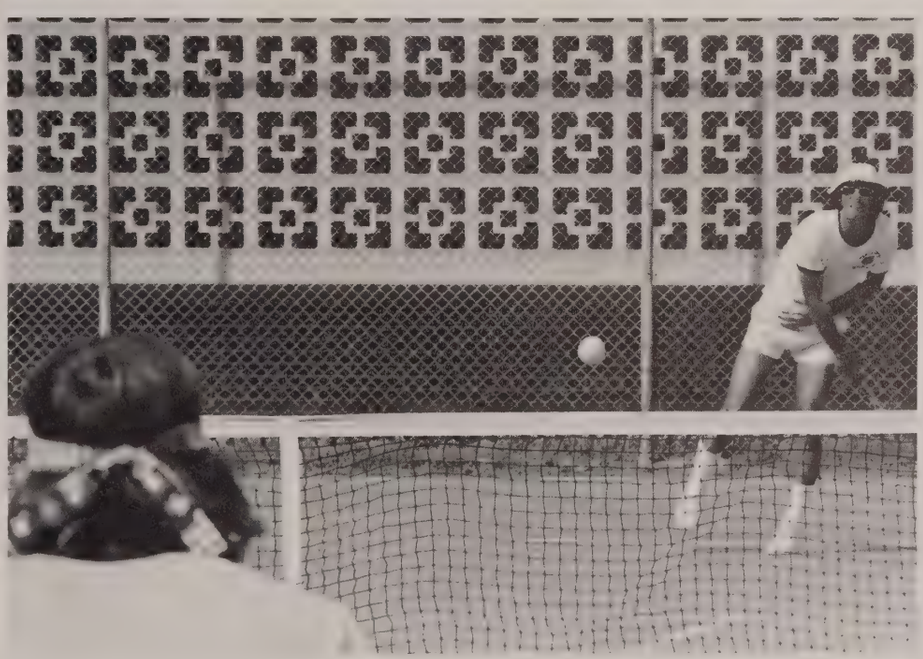

*Bill Nelson returns with a 13-10 record but he won seven of his last eight matches. Others back are Aaron LeClaire, 15-8, and Larry Penson, 13-8.*

*Steve Tipton, Danny Gilley and Stan Wheeler round out the remainder of the squad.*

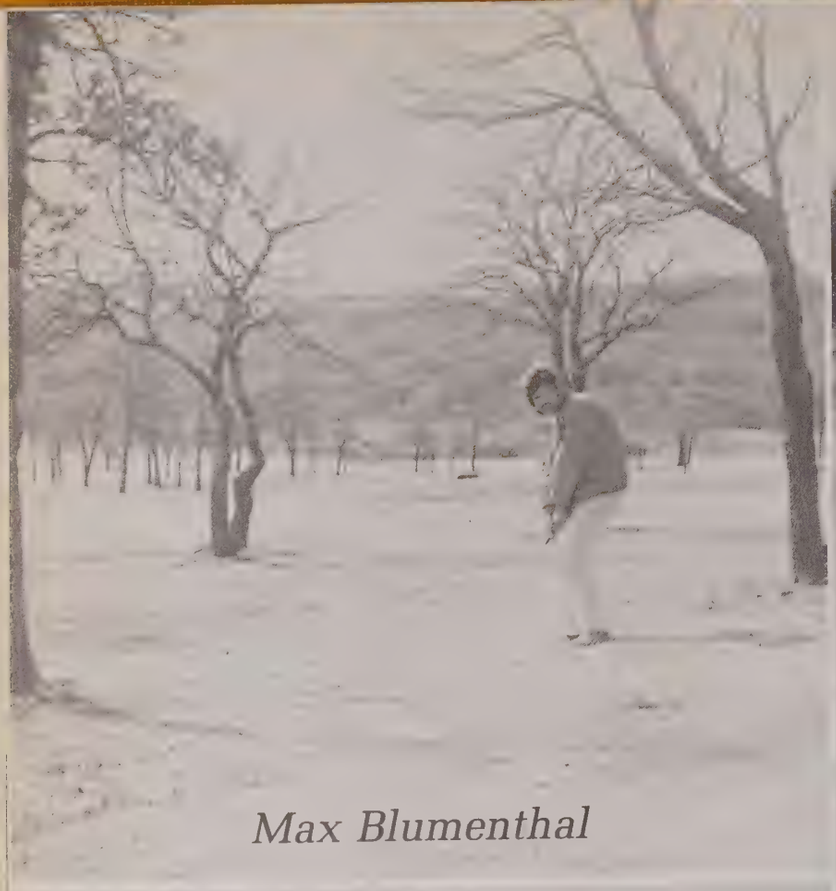

*In action last fall the team had a 2-2 record, losing to OU and OSU, but defeating East Central and Oklahoma Baptist.*

*Nelson is a sophomore, one-year letterman from Midwest City. LeClaire is a senior, one-year letterman from Oklahoma City. Gilley is a junior who has lettered once from Oklahoma City. Wheeler is a freshman from Ponca City.*

*John Jadlowski*

*Gary Gleaves*

Team members are: FRONT ROW — Bill Towe, Gary Cleaves, John Jadlowski, Max Blumenthal and Charles Head. BACK ROW ARE — Charles Odell, Steve Fitzwater and Coach Dale Hamilton.

# *Golfers face new year with just one returnee*

*Only John Jadlowski is back from a team that won 11 matches and lost only five in dual matches. This season, Coach Hamilton has a rugged schedule to face with his newcomers.*

*In the fall season the golf team knocked off last year's conference winner Oklahoma Baptist University twice.*

*Last year the linksters finished second in the Central State Tournament directly behind the Bisons of OBU. In the conference tournament at Shawnee the Bronchos fell once again to OBU, but just five strokes back in a contest that went down to the wire. Bruce Maddux was top scorer for CSU at 149, one stroke behind the winner, Don Brigham of OBU.*

*Home course for the Bronchos is the Kickingbird Course.*

*Steve Fitzwater*

# *Top returners promise successful season*

*Returning the state's two most outstanding performers, the Central State varsity fencing team embarked on a hopeful 1972-73 campaign.*

*In last year's competition, Tish Pollard was named the state's collegiate number one female fencer; Tom Ingram received the same honor in the men's division. The awards are based upon cumulative points collected in tournaments held at OU, OSU and CSU.*

*The team that manages the most points in the three tournaments wins the challenge cup. Of the six years this award has existed, Central State has won it three times.*

*Dr. Virginia Peters, coach of the team, feels the quality of fencing in this area is on the increase. Jacques Piquet, fencing master has moved into the proximity and is tutoring here in the sport, she said.*

*Members of the team this year were: Miss Pollard, Bridget Mansour, Tim Wells, Alan Soderstrom, Dale Wittich, and John Rayburn.*

RIGHT — Richard Dupertius levels an opponent as teammates Alan Soderstrom and Bridget Mansour watch from the sidelines.

Fencing is a one-on-one sport and matches individual skills. Action here is from the CSU tournament October 14.

# *Varsity field hockey team finishes third in state*

## Despite inexperience Bronchettes win half of games, look to next year.

*According to Dr. Virginia Peters, coach of the women's field hockey team, this was a rebuilding year, even at that the team compiled a respectable 3-3 record and a third place finish at the state tournament.*

*There were 28 women who came out for the team and only seven of them were experienced with most of those being new people.*

*"This was a very young team with only three back from last year. We ought to be good next year though," Dr. Peters said.*

*Results of this year's action shows a 1-0 victory over Phillips University. Then the Bronchettes lost the next two games, a 3-2 loss to East Central and a 5-0 setback to powerful OSU to conclude the regular season.*

*In the first game of the state tournament Central blasted by Northeastern, 2-0, behind goals by Cindy Edgin and Jan Ward. The second game pitted them against OSU, and again the Bronchettes were shut out. This time it was 3-0. In the consolation finals Kathy Davis and Miss Ward scored goals to let OSU slip past Phillips, 2-1, for third place.*

Women varsity cagers are: KNEELING — Darlene Powell, Jan Schoenecke, Donna Rice, Gail Ford, LaJo Switzer, Helen Lund and Rita Reed. STANDING — Debbie Capps, Sue Frieberger, Janet Hodges, Nita Amaya, Debbie Randall and Becky Hostetler.

# *Women cage team shows potential despite youth*

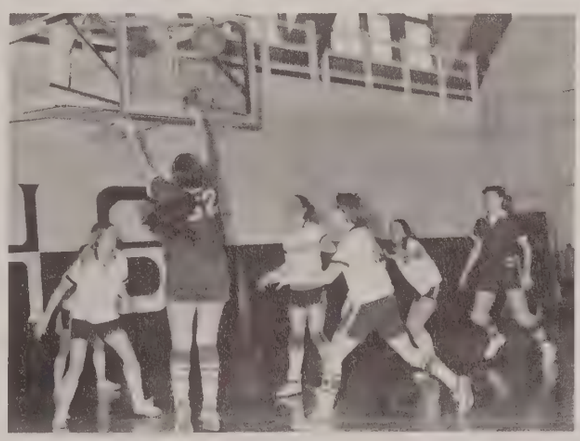

*There are a few characteristics that were quite definite about this year's women's varsity basketball. They were full of potential, somewhat inconsistent and young. On the squad were only two seniors, Becky Hostetler and Rita Reed.*

*One of the toughest problems for Coach Virginia Peters and Assistant Coach Barbara Sanders is getting the women used to playing national rules of playing the full court. In the high school games the girls only play half court specializing in either defense or offense. In collegiate competition both skills are required.*

*Miss Hostetler set the season's high score in a game with OCC when she tallied 28 points. Other top game scores were 21 by Rita Reed and 18 by Anita Amaya. The leading rebounders on the team were Janet Hodges, Miss Hostetler, Sue Frieberger and Debbie Capps. Dr. Peters cited top defensive standouts as: Miss Hodges, Donna Rice, Marla Chandler, and Miss Capps.*

*The season record of 4-5 was not as indicative of the way the women played.*

*Only two seniors to leave, Becky Hostetler and Rita Reed. Main team problem getting used to full court.*

Volleyball Team members are FRONT ROW LEFT TO RIGHT — Sue Milford, Kathy Davis, Rita Reed, Sue Parton. SECOND ROW — are Odesa Bocher, Linda Broerse, Mary Ann Swansberger, Jan Schoenecke, Jan Ward, Diann McMillan. THIRD ROW — are Beth Hansel, Sue Freigerger, Mary Endres, Becky Hostetler, Lynda Ashbrook, Louse Wintermute and Susan Stepp.

# *Volleyball team undefeated*

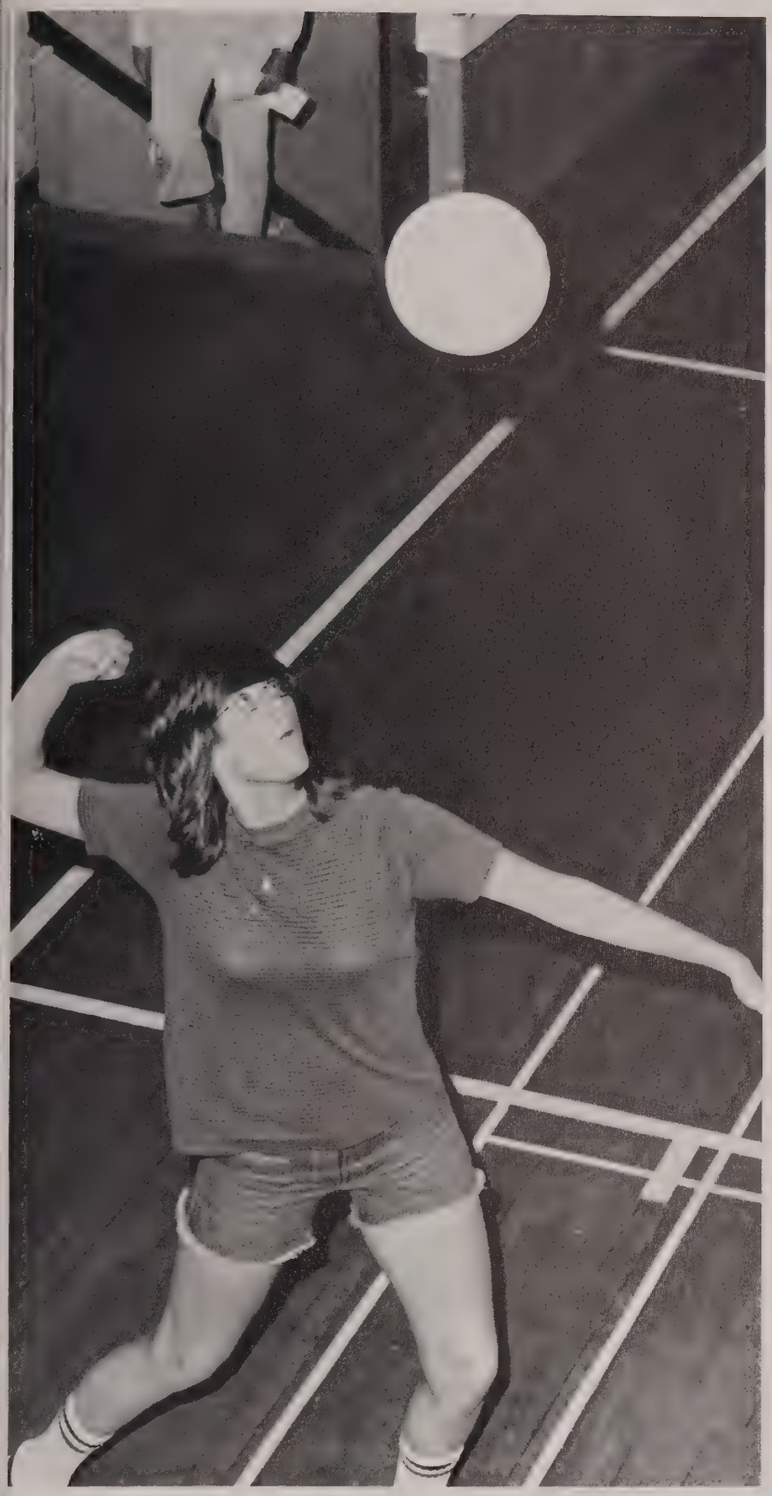

*In all the competition the women's varsity volleyball team met this year they excelled. Three regular season games were played, icy roads prohibited travel to the Southwestern State College Tournament and the State Tournament at Oklahoma University.*

*The year's first match pitted the Bronchettes against OU on this campus both varsity and junior varsity won their matches against the visitors. Again both squads were successful when they played Southwest Oklahoma City Junior College.*

*Against the University of Tulsa the team showed determination and stamina with its ability to come back. After dropping the first game 0-15 the Bronchettes revived themselves and saved the victories with scores of 15-5 and 15-9.*

*Becky Hostetler was the only returning starter to the club while there were three other varsity players back. Miss Hostetler, Lynda Ashbrook and Rita Reed were the only losses to graduation.*

*"This is a great bunch of people because they come out and do it on their own means, they don't have to be pushed. That makes coaching easy," said Dr. Joan Bottger. This was Dr. Bottger's first year as volleyball coach here at CSU.*

ABOVE — Sue Freiberger practices serving. TOP RIGHT — Sue Millford sets it up for Becky Hostetler, left, to spike while Linda Broerse moves in to assist. Rita Reed and Shelli Breavers awaits the shot on the other side of the net. ABOVE RIGHT — Rita Reed goes high to block a shot.

Members of this year's women's varsity tennis team are Beverly Barger, Jan Ward, Alicia Curtis, Janet Thomas, Simin Kavianian and Jamie Hines.

# *Women's tennis team wins championship*

*Coached by Jean Washington, Central State's Women's tennis team won the Missouri Valley Women's Collegiate Championship in May, 1972. Beverly Barger won a first in singles. Miss Barger, teamed with Mary Allen to win a first in the doubles, and the team finished first in team standings in the M.V.T.A.*

*During last season the team won all of their matches except for the loss to OSU in a 5-4 tiebreaker game.*

*Miss Barger and Miss Allen qualified to play in the National Collegiates at the University of Auburn last June. Miss Barger made it to the third round, of 32 rounds, where she lost to Andrea Voikis in a 3-set match. She then went into the consolations and made it to the quarter finals. Miss Barger and Miss Allen went to the quarter finals in consolation doubles.*

*Miss Barger has been invited by the United States Lawn Tennis Association to play the Jr. Wightman Cup Clay Court Circuit.*

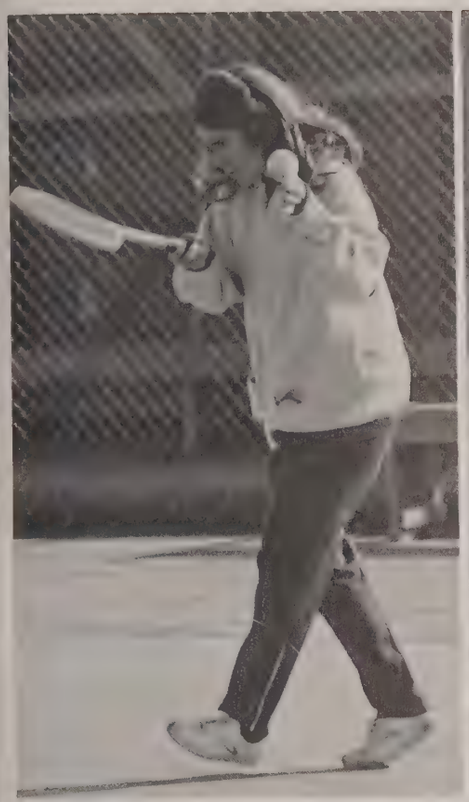

*Last fall the team tied with Odessa College for second place in the Amarillo Jr. College Indoor Tournament.*

*There were twelve girls out for the team this season. Miss Barger was the number one player and Janet Thomas was the number two. Alice Ratway was the only senior lost in graduation last fall. The members of the team were Miss Barger, Sophomore; Miss Thomas, Freshman; Nita Clark, Junior; Alicia Curtis, Junior; Jamie Hines, Freshman; Simin Kavianian, Senior; Judy Thomas, Sophomore; and Jan Ward, Junior.*

# *Intramurals mean relaxation, exercise, stardom*

*Intramurals help students get that exercise they need so badly, meet new people, find companionship and get the chance to compete.*

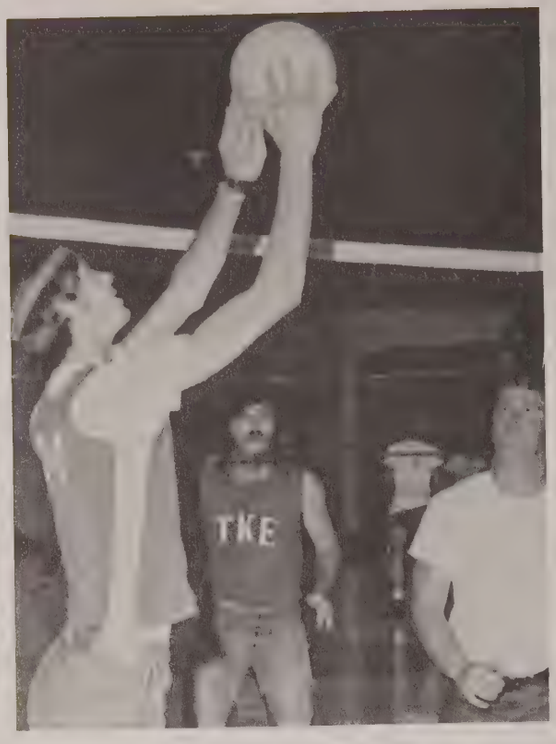

*The intramural program, coordinated by Francis Baxter, has a full agenda of sports lasting the entire school year.*

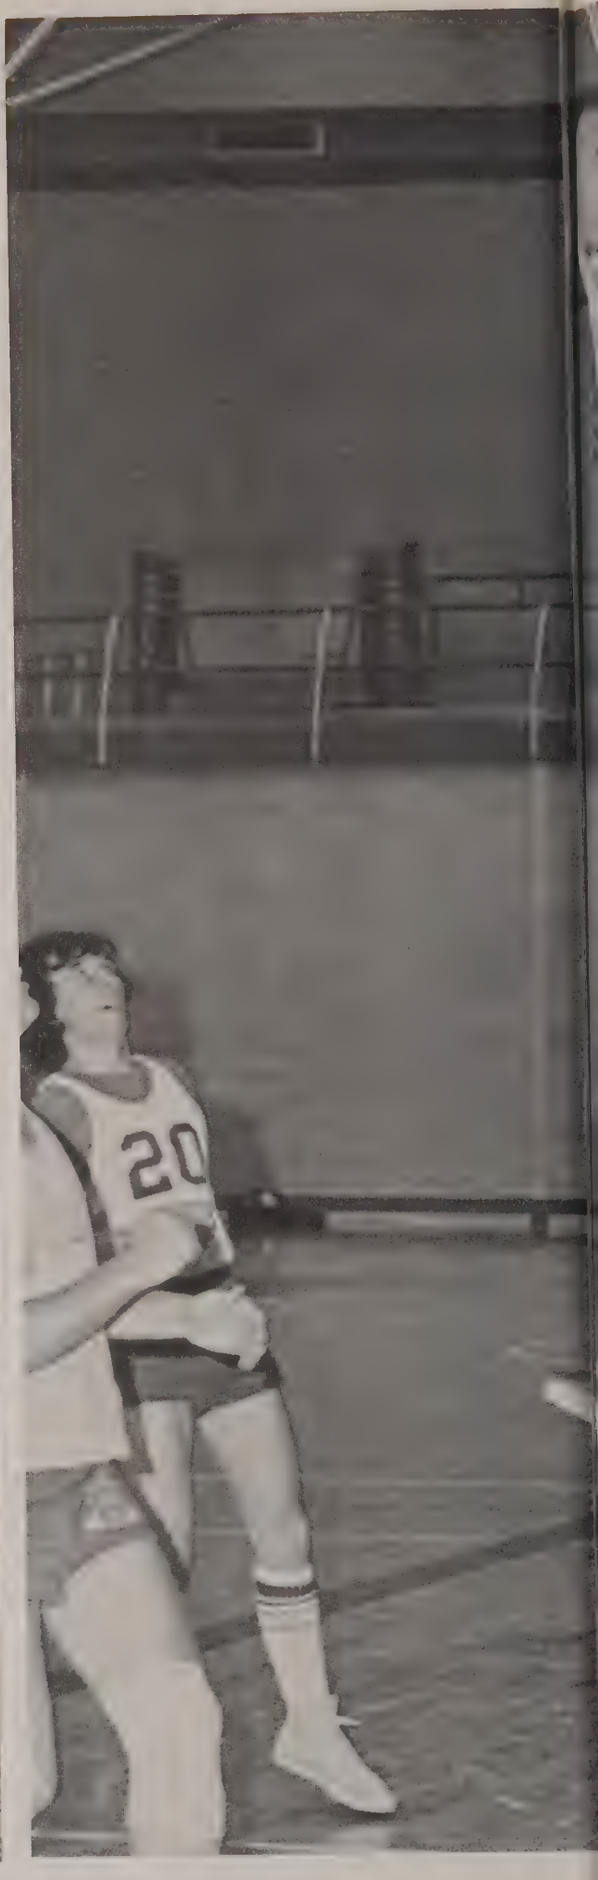

*In the fall there is flag football, golf, and tennis. Winter sports are volleyball, basketball, wrestling, and table tennis. In the spring there is softball.*

*The program is open to all CSU students and the facilities are available to any who are interested.*

*For those times to break away from studies and other pressures, intramurals present that opportunity to relax and maybe even visualize oneself in that star role that he has always dreamed about.*

# Women's sports are fun as well as exercise

*Sports are by no means just for men. Women enjoy many of the same sports as shown by their participation in the intramural sports sponsored by the Women's Recreation Association.*

*The WRA organizes sports for the varied interests of the women students on the CSU campus. The sports range from flag football to bowling and include tennis, volleyball, table tennis, basketball, and badminton.*

*The different organizations earn points by entering and placing in the events. The group with the most points receives a trophy.*

*Many people think of sports and exercise as synonymous; but at CSU they also serve as a form of social activities. The women have a chance to develop a closeness to the other team members that is not possible in any other way.*

*The sports are open to all women at Central State.*
